

# Adjustable mounting bracket - Type AB

## Features

- Robust construction
- Easily accessible
- Quick release facility
- Standard headed fasteners
- Angular adjustment

The adjustable mounting bracket is now supplied as one of the options with GS120 and GS140 light curtains. Combining a robust design with quick release facility, the adjustable bracket promotes speedy installation and also allows for easy interchange of a light curtain unit without the need for re-alignment. To request this option when ordering your light curtain please specify 'AB' in your order code.
