

# Clamp Bracket - Type CB

## Information Sheet

### Features

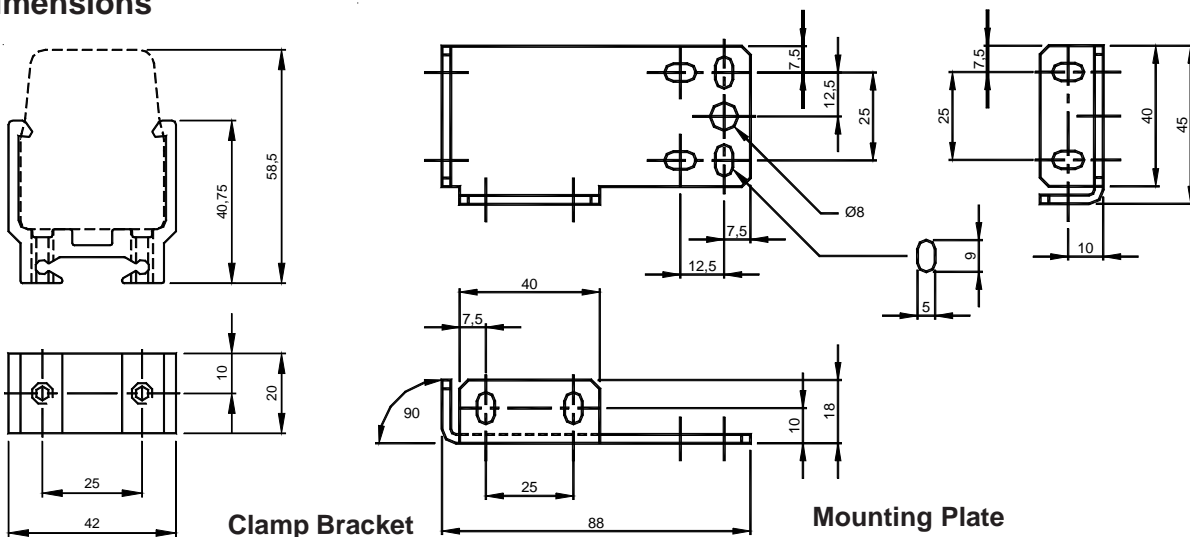

- Compact
- Alternative Mounting Arrangements
- Standard Headed Fasteners
- Angular Adjustment

The Clamp Bracket is now available as an option for the B Series light curtains.

In conjunction with the Clamp Bracket Mounting Plate (also supplied with the Accessory Kit), this bracket offers a neat and compact design to provide versatile installation. In addition, the Clamp Bracket Mounting Plate has been specially designed to allow angular adjustment of the light curtain.

To request this option when ordering your light curtain, please specify 'CB' in your order code.
